Stonehenge Air Museum - Field Trip!

SEPTEMBER
26TH

9:30 am
This trip offers a
great chance to
learn about
aviation history
and spend time
together.

Join us for a guided tour of the Stonehenge Air Museum, where we will explore a range of historical aircraft and aviation exhibits. The museum offers an in-depth look at the development of aviation, featuring a variety of aircraft and informative displays.

We will meet at the Whitefish Community Center at 9:30 am, be picked up by Mountain Climber and then depart for Stonehenge Air Museum. Lunch will be provided at a nearby pub!

The cost for this field trip is \$12 per person, which covers both the museum admission, transportation and lunch.

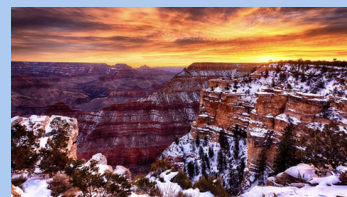

Registration is required -

Please fill out the form online or Contact the Center:

Exploring Grand Canyon

with Linda Smith
September 25th at 2:15 pm

Let's explore Grand Canyon National Park!

Linda Smith will guide us on an adventure through 1.5 billion years of Earth history.

We will examine how sedimentary rock is deposited and how fossils can help us understand the distant past. We will see how people explore the park today, hiking on foot, riding a mule or rafting the Colorado River. John Westley Powell will be joining us....(only in spirit) This will be a fun presentation. The scenery will be spectacular.

THANK YOU!

Safeway Florals

Thank you for donating florals each week for our dining area. This contribution makes the center feel warm and inviting for all of our visitors.

Foster Flower Company

Thank you for donating flowers for our front porch garden area. Our Volunteers Karen and Rosa were able to make our front garden area as beautiful as it is because of this contribution.

Volunteer Shoutout

Thank you Karen Whitby for coming in each week to display flowers and going above and beyond this month to help organize storage. Here is a photo of her oil painting this month!
